## How To Apply

### How do I study in the United Kingdom if I am from overseas?

If you are an international student you will need to apply for a Student Visa. Contact the British Embassy in your country; they can send you the forms to apply. Allow ample time (up to 2–3 months) before the course starts to apply for the visa. You will first need to be accepted by the College. We will then issue you with a Confirmation of Enrolment letter that you will need to apply for your visa.

### Can I Work?

International students are not allowed to work in the UK on student visas. UK and other EU citizens are able to work while attending the School. While attending the school we would strongly suggest a maximum of 8-10 hours of work (per week), as the course will demand your full attention and time.

### Finances?

The majority of students are supported by their sending church. Students are encouraged to raise their finances before coming to the school by either working and saving. Many students have been supported by family and friends.

### Length of Course

The course is full time, 18–20 hours per week, for the duration of 10 months.

### Do I have to apply by a certain date?

Interested applicants are encouraged to speak with their elder/pastor/minister before submitting an application to School of the Word. Please note that the school year runs September to June of the following year. If you are an international student, please allow enough time (2-3 months) to obtain your visa and to organise your flight to the United Kingdom.

### When can I commence?

Covenant School of Ministries: School of Word runs from September to June of the following year.

### Accreditation

At the end of the year students receive a 'Certificate in Biblical Studies' or 'Diploma in Biblical Studies'
